# ANTARES 9

The ultimate weekender! With a balanced blend of detail and comfort, the Antares 9 is an invitation to spend more time at sea. Comfortable, functional, practical – she has everything you need for a perfect day away. Or more.

With her Airstep hull, the Antares 9 cuts gently through the waves, offering a comfortable and dry ride. The U-shaped aft seating converts into a spacious sunpad, while her wraparound windows bathe the pilothouse in natural light creating an alluring place to relax and unwind.

A convertible co-pilot seat offers the ability to face either direction, allowing you to be a part of it all. Two separate cabins, one galley and a cleverly fitted shower room finish off the package and make the Antares 9 the ideal boat for cruises with family and friends.
