XP776

The XP776 is the ultimate long-range fish and dive machine capable of taking all the creature comforts to make your time on the water that much more enjoyable.

At 8.15 metres overall, with an aggressive 20 degree deadrise and 6mm hull, the XP776 makes light work of the roughest conditions.

Thanks to Southern's alloy trailer technology the XP776 is still well within legal towing requirements at only 2300kg (approx) on the road. Available in open hardtop and enclosed wheelhouse configurations.
